Jonah Question and Answer

Dear Jonah,

Is this first wave of the pandemic targeting children specifically, both the physical virus and the energy and propaganda behind it? Is this in part designed to inhibit the Children of the 21st Century from succeeding with their purpose of cultural change and awakening? Is it also to keep the parents in a great state of fear where they will accept any "cure" or laws in the illusion of keeping their children safe? How can those of us who work with the children and parents assist them in shifting out of the fear and protecting their minds from the mental component of the virus as well as the physical? Thank you so much for all your assistance- Jackie Lloyd, Ramona, California

Jonah, there is being planned a mass swine flu vaccination program for the schools of the US. What effect will this vaccination have on the health and consciousness of the individual? Matt Spaeth, Lyons, Colorado

Beloved, yes the first wave is targeting children specifically, as we predicted in our message "[The Coming Pandemic](#)." We stated these children would be at risk because of the many drugs parents and doctors place within their bodies. Indeed, cultural change is occurring in all areas of your earth. Change from the paranoid and primitive consciousness. But it is the paranoid and primitive consciousness that will be greatly empowered by your governments to accept a new drug in the human energy system. This drug is not and will not be compatible with ones seeking to raise their own consciousness. This wave of the pandemic will be used to create conformity of the masses. There will be a direct target for this drug to children and young adults, and women with child. Indeed listen to our message "[The Coming Pandemic](#)" Consciousness of Disease, to understand how and why it is now time to create a shift for yourself before other seeks to create a shift for ye in an opposing direction...Jonah

Jonah, what is the difference between allergies and disease? In the springtime when the flowers bloom there is also an onslaught of sneezing and itchy eyes and what we call "allergies" and I'm wondering if that is a sign of resistance of expansion or something else?

Connie Luciano

Well for goodness sakes, ones being allergic to spring time! Is it not a time of new birth? Disease is one being at dis-ease with their self. Indeed it is a resistance to new growth. The body has become so toxic it builds up allergies. One needs to work at detoxifying their mind, emotions, and physical body. Again listen to our message "[The Coming Pandemic, Consciousness of Disease.](#)"..Jonah

Questions for future Newsletters

Dear Jonah,

last years I've been reading a lot about the Nazi Period and the Holocaust and I want to ask you what really happened those years. 6.000.000 Jewish people were killed in a very painful way. Is it possible that apart from the individuals a whole nation can choose to learn through so much pain? It is also said that the Holocaust wouldn't have existed without the help from the occupied by the Nazis countries. What is the origin of this hatred against the Jews and of persecution against them through the years?

Thank you very much,

Rozina Berkner, Athens, Greece

Jonah, what is critical for teachers working with immigrants children or charismatic children whose talents are not "recognized" by their parents? With love, Aggeliki Plouma, Athens, Greece.

Jonah what can one do to find inner balance, to be alive in all life, to trust self and to find the essence in the aspects of life? Love and respect Rita Litou, Athens Greece

Jonah, how could the Iranian people bring forth the change they wish to see without the violence and bloodshed? Matt Spaeth, Lyons, Colorado

Jonah, what is the difference between the soul and oversoul. Could more than one person have the same oversoul? Is the oversoul the same as what I call the higher self? Thank you, Mary DeVore, Lakewood, Colorado

Jonah has been talking about healing traditions. Traditions that no longer serve one or never did. How does one go about healing these "traditions?" Is this accomplished in the healing of the Core Belief System as Jonah has taught?

Thank you. Michelle McMillen Boulder CO
