JONAH QUESTION AND ANSWER

Q. Jonah, why has the suicide rate for young adolescent girls risen dramatically in recent years? Betty, Boston, MA.

A. Beloved, indeed the suicide of many adolescent children in your culture has and we find will continue to rise dramatically. Ye live in an artificial world, a world of make believe. Indeed, an illusion purposely perpetrated on parents who are not aware of their own inner being. Your society which includes these parents allow and encourage the viewing of artificial worlds in the form of movies, yes, ye call it entertainment! We call it entertainment of the illusion. Children are taught how to escape into their own world, and or the world of another. Children are taught not to be their own true self, but rather many are taught to follow in the footsteps of others, thereby denying their own true self. Ye teach children to avoid drugs, yet ye drug them into submission. Ye teach children to educate the mind, yet ye fail to educate the emotions. Ye teach children to love others, yet ye teach them not to love themselves, therefore the love feels hollow within the heart. Indeed these are the children of the 21st Century.

If Jeshua Joseph bar Joseph who many call Jesus was to return to your world, how long would it take for the religions of your world to crucify him because he did not fit the mold many perceived him to be? Changes are coming, your world will change. Many of the spiritual leaders of your new world coming are indeed children of the 21st Century.

Are these children being crucified in the name of world consciousness? Will ye choose to be a part of the healing or a part of the denial...Jonah

Q. Jonah, is there really such a person as an Antichrist? Does 2012 have anything to do with this? Or is this just more religionist legend? Carl, London, England.

A. Indeed, there is such an energy that takes the form of human. It is an energy that attempts to give the illusion of love while decimating the heart of human. This energy is and will continue to take form in a soon time. If ye live on earth ye will not miss this one's arrival, but ye may miss this one's intentions...Jonah
